

HIMALAKSHI DAS
Assistant Professor,
Department of Information and Computer Science
Assam Women's University

Intend to build a career as a teacher in a leading institution to share my earned knowledge with others, improve myself in my related areas and also motivate students to explore their hidden talent. Willing to work with committed and dedicated people, who will help me to explore myself fully and realize my potentiality and to serve for the nation up-to desirable level with my discipline and sincere effort. I have a good mind to associate myself in the field of education to explore new things with my innovative ideas and systematic research.
